pierre berton s canada moves west is a rousing collection of five young adult non fiction books by revered author pierre berton that describes how back in the days of the pioneers the canadian west was won with blood sweat tears and sheer determination originally printed as separate volumes in the adventures in canadian history series the titles in this omnibus include the railway pathfinders the men in sheepskin coats a prairie nightmare steel across the plains and steel across the shield although the books read like novels with exciting story lines and vivid characters there is archival evidence for every story and indeed very remark made on their pages nothing has been made up berton s ability to infuse history and its

characters with the excitement personality and immediacy of contemporary events appeals strongly to young readers the reading level is appropriate for grade 5 and up but the interest level carries well into adult reading
