the book is a compilation of my first 10 speeches in toastmasters these speeches are the 10 projects from the competent communicator manual that is given to every new member who joins toastmasters this book was written in order to record the work done by me

a textbook describing the communication process and skills needed for effective interpersonal communication and public speaking

raising a toast is a compilation of 20 speeches that i had the good fortune of delivering in my journey as a toastmaster most of these speeches have sprung from my personal anecdotes some funny some thought provoking few speeches will tell you stories of past and present of people and places through my eyes and then there are a couple of speeches that raise some questions for you and me to reflect upon but one common link that binds them all is the stage of toastmasters where they found life each of these speeches gave me an opportunity to pen down some burning message inside of me to share my story to any audience which was willing to listen to connect with those who took back something from what i had to say raising a toast is a humble attempt to carry these anecdotes these stories these questions from the conventional stage to the paperback stage written with the sole agenda of reaching out to more souls out there who are willing to listen and with the hope that when they read this they get inspired to share their set of stories with the world

one man s journey towards finding his passion as most people who finally took the plunge can relate sooner or later you have to stand on the ledge that separates danger and opportunity from security and stagnation it then becomes a question of what direction to jump in i found mine mohammed zawad shares with us the stories that made him jump perhaps the most striking thing about this book is mohammed s talent for incorporating his life experiences and lessons into helping readers to understand his message all the stories are personal and relatable regardless of the reader s background what s noteworthy is how he gives you a glimpse of his personal life the good the bad and the ups and downs his candour about his successes and failures make the book a fabulous read mohammed zawad possesses an amazing ability to inspire encourage and motivate people to seek out and follow their dreams i found mine is for everyone whether it s someone who wishes to learn a new skill wants to go back to school or is looking for an entirely new career but is not sure where to start

toastmaster s secret is a complete guide to really get the maximum leverage out of the competent communicator program based on experience of a committed toastmaster who has taken effort to create speeches as suggested by manual this step by step guide shows you how to craft speeches using a reference table where project speeches are given on one side and objectives are pointed on the other side it has explanation on selection of topics delivery preparation and much more

the gift of mentoring is one of the benefits offered through a toastmasters international club educational program if a club has a mentoring program established this book will stimulate new thinking for consideration is a club struggling to meet the expectation of a mentoring program mentoring value based empowerment offers insights for developing a transformational mentor experience an essential element of any successful club level mentoring program is to demonstrate the toastmasters international values of respect integrity service and excellence

loga narayanasamy an english lecturer for nearly two decades shares his inspiring journey in the phoenix lecturer an english teacher s journey of rising from ashes to inspire beginning

with his rise as a high profile educator in 2010 the memoir focuses on the turbulent years from 2018 to 2020 when he faced life threatening challenges due to a harmful association originally a personal journal the book explores resilience personal growth and the power of storytelling narayanasamy hopes to inspire readers especially the younger generation by encouraging them to share their own narratives and overcome obstacles to achieve their dreams

professional growth serves as a comprehensive guide for anyone seeking self improvement and career advancement it emphasizes that proactively investing in personal and professional development is essential for sustained success the book highlights the importance of cultivating a growth mindset mastering essential skills and building meaningful relationships for instance adopting a growth mindset allows individuals to embrace challenges and view failures as opportunities for learning the book uniquely integrates theoretical concepts with practical exercises and real world examples offering actionable steps to implement the principles discussed it begins by introducing the growth mindset and its impact then explores skill development strategies and finally examines networking supported by research and case studies it demonstrates how proactive growth leads to enhanced career prospects and a more fulfilling life the book's conversational tone and clear writing style make complex concepts accessible inspiring readers to take action it provides a framework for navigating a rapidly changing world equipping readers with the tools needed for continuous learning personal growth and career guide strategies
